

JOSE DIAZ MORENO

SENIOR FULL-STACK DEVELOPER / TEAM LEAD / CTO

"Commitment to continuous learning and growth is key to success."

<who_i_am>

With over 15 years of experience in software development, I am highly skilled in building scalable and clean code software. I am passionate about crafting efficient and effective solutions and have successfully led software development teams through the entire development process, from conceptualization to deployment in production environments.

I constantly seek to improve and grow professionally and am fearless in taking on new challenges. My strong desire to learn and evolve helps drive my success in the field.

I have a track record of consistently delivering high-quality software solutions to my clients and am dedicated to achieving optimal results.

</who_i_am>

<job_experience>
